

# Advanced high-performance PIN Pad

# P630

This premium PIN pad was designed for performance and security, generating greater customer engagement and better returns. The Verifone P630 provides merchants with a powerful and profitable pathway to add Verifone's Cloud Services. Take advantage of eCommerce capabilities, accept Advanced Payment Methods, manage your payment device estate and more.

- Full-color touch screen display to promote loyalty, seasonal sales, and more
- Accepts all payment types including Advanced Payment Methods and even Crypto currency
- Uses existing Engage P400 cabling and stands for ease of migration and integration
- Support for an optional USB camera providing scanning capability at the counter
- Utilizes the power of Verifone Cloud Services for further customization and to add revenue building streams like eCommerce, Pay by Link, Advanced Payment Methods, and more.
